**Making the Choice, Making It work: Treatment for Opioid Addiction**  
*Second edition (formerly published as Methadone Maintenance Treatment: Client Handbook)*

Making the Choice, Making It Work is an easy-to-read guide for people who are considering treatment for opioid addiction, and for those who are already taking opioid agonist therapy. Families and friends will find it valuable for understanding what their friend or family member is experiencing, and how best to offer their support. Professionals who work with people with opioid addiction will also find this resource to be a useful tool for helping clients.

To access the full resource please visit the Centre for Addiction and Mental Health (CAMH) [website](#) or download the promotional flyer [here](#).
